Father Keefe, who is one of the most elequent orators in Connecticut, has been very active in assisting any patriotic cause. Before the United States entrance into the world war, Father Keefe gave numerous addresses on patriotism and preparedness, not only in Connecticut but in other New England states. His address on Preparedness at the Fourth of July Preparedness parade two years ago excited wide comment. After this country's entrance into the war Father Keefe became a member of the Connecticut Council of Defense and was kept busy going from place to place in order to bring the American people to a realization that our country was facing a terrible crisis.
